

7kVA Gentech E/Recoil Start Petrol Generator (EPINV7KE)

The newest addition to the Gentech range, this 7kVA inverter is tough, safe, versatile, and portable. The EPIINV7KE uses Pure Sine Wave inverter technology making it safe enough to run all of your sensitive electronic equipment. The 14HP Kohler CH440 engine provides enough power for a wide use of home, recreational and professional uses. This 7kVA open frame set is powerful enough to use in a wide range of home, recreational and professional uses. This comes standard with full wheel/wheelbarrow kit for easy transportation.
