## 3kW Cromtech Brumby Inverter

The Cromtech Brumby is the latest innovation from Cromtech, boasting a unique suitcase style design, 3kW of power, multiple power options including USB, 12V, and 240V, and a digital display that shows voltage, Hz, kilowatts, and hours run - all while in operation.

Every generator that leaves Macfarlane Generators is given the Macfarlane quality treatment - we pre-deliver every set (including oil, run check, and more) and we make sure your generator is ready to go from the moment you get it. We're believers of quality products that you can see, touch, and test before buying.
