

1kVA Kipor Inverter Generator GS1000

The Kipor GS1000 is the lightweight, cost effective, and super quiet option. It's easy to transport and easy on the ears, so your camp neighbours will be thanking you.

Low emissions and low fuel consumption contribute to this generator's appeal - it's perfect for taking camping, 4x4ing, and for use around the home. Use this generator for lighting, small appliances, charging laptops, and more.
