

## 2.6kVA Kipor Inverter Generator GS2600

The 2.5kVA Kipor GS2600 portable generator is built with inverter technology, which means not only can you power mid-range power tools, but you can power sensitive equipment like laptops, phones, and tablets.

This set is quiet and compact. It weighs 29.5kg, making it transportable with a little bit of muscle! It's built with 12V DC x 5A and fuel 240V x 15A outlets so you won't be short on options. A 1 year nationwide manufacturer's warranty for domestic use will back you up if anything goes wrong.

At Macfarlane Generators, we ensure every generator is ready to go as soon as it's in your hands. You won't need to add oil and you won't have any trouble getting going because we deal with that hassle for you! Every generator that leaves our store is ready for immediate use.
