

3kVA Kipor Inverter Generator GS3000

The 3kVA Kipor GS3000 portable generator comes with the latest high performance advanced series 2 digital inverters, with 'sine wave' technology. The new blue series has had many improvements including a 1 year nationwide warranty for domestic use.

At Macfarlane Generators, we ensure every generator is ready to go as soon as it's in your hands. You won't need to add oil and you won't have any trouble getting going because we deal with that hassle for you! Every generator that leaves our store is ready for immediate use!
