## 6.5kVA Powermate Portable Generator (WX7000)

Powerful product combining versatility and performance.

With low noise level, the WX7000 single phase petrol generator is ideal for use in residential areas or outside. Powermate portable generators are designed for the tradies.

The range is ideal for remote power needs and can power small to medium power tools, lighting, and more.

When not being used around the job site, the Powermate WX7000 can be used for emergency power during a power outage.

### FEATURES

- Compact and Powerful
- Quiet operation – 69dB
- Automatic low-oil level shutdown
- Digital multi meter tracks engine
- Fuel gauge to track fuel levels
- Kit wheels for easy transportation
