# 8kVA Generac Home Backup Generator (G7047)

Generac's Guardian Series generators provide the automatic backup power you need to protect your home and family during a power outage.

This 8kVA Generac home backup generator is an affordable standby generator that offers protection during an outage. Connected to your existing LP or Natural gas fuel supply, it kicks in within seconds of sensing power loss—automatically (when used with automatic switch) —and runs for as long as necessary until utility power returns.

**Innovative  
Engine Design**

**Tough & Durable  
All-Aluminum Enclosure**

**Removable  
Front & Side Panels**

**FREE - Standard Wi-Fi  
Mobile Link™ Remote Monitoring**  
Allows you to monitor the status of your generator from anywhere in the world.

## FEATURES AND BENEFITS

- True Power Electrical Technology
- Air-Cooled Gas Engine
- Generac's G-Force Engine
- Solid State Frequency Compensated Voltage Regulation
- Sound Attenuated Enclosure
- Multilingual LCD display
- Australian C-tick approved
