# 12kVA Gentech Honda Inverter Generator (EP120i)

The newest addition to the GENTECH range! This Australian designed inverter generator is tough, safe, versatile, portable, and reliable.

This inverter generator is safe enough to run all your sensitive equipment and powerful enough to run a huge range of household, recreational and professional equipment.

EP120i NEW inverter technology makes this generator one of the purest power sources around.

## FEATURES

- Pure sine wave technology
- 40Amp circuit breaker
- 2 x 15Amp IP66 weatherproof outlets
- Noise reducing, full enclosure
- 34L fuel tank
- Centre lift point
- Tough rollover frame

This 12kVA inverter generator is able to give you the pure sine wave power you need.
