DEWALT
DXIG3600E

3.6kW DeWalt Inverter Generator with Electric Start

POWERFUL | ULTRA QUIET | ECONOMICAL | PORTABLE

The DeWalt DXIG3600E Petrol Powered Inverter Generator with 3600 starting watts and 3200 running is for the camping enthusiast that wants it all or for medium-duty trade applications where sensitive electronics are used.

It comes packed with market-leading innovation such as colour LED fuel and power usage gauges for remotely monitoring your generators demands and has the convenience of an electric start. It's generous 9L fuel tank means you get large run time performance and its inbuilt handle and wheels make it convenient to move around.

FEATURES

- Inverter Technology
- DeWalt 121 cc OHV Engine
- Fuel / Power Level LED Display
- E/Start Function - Battery included
- 9L Large Fuel Tank
- Ultra Quiet Low Tone Muffler Design
- ECO Throttle Mode
