GENERAC®

V20 PRO HYPER Light Tower

DURABLE | RELIABLE | EFFICIENT

Lighting towers designed with LED floodlights
- so you'll never be left in the dark!

V20 PRO is not just a new lighting tower, but the real and only "ALL IN ONE" product! It embodies all the innovations and new technologies that Generac Mobile® has developed in over 20 years at the top of the industry as manufacturer. We have brought together all the Rental needs, in one single product. Special version with Hyper LED floodlights.

PRO is the only lighting tower technology to offer altogether:

The FUTURE with 100% battery powered supply.

The PRESENT, with the latest generation hybrid power supply.

The TRADITION, with low consumption diesel engine.

GENERAC® HYPER LED

LED floodlights placed on special brackets to point them in any direction.

Engine note: Both EU Stage V and unregulated version available.
