

2.4kVA Subaru RGX3000

The Subaru 2.4kVA RGX3000 is a heavy duty generator built to provide industrial strength power for agricultural, construction, and commercial use. It is also a reliable power source for emergencies.

The model features a long range fuel tank for continuous power of up to 10 hours, with a capacity of 12.8L. With an AVR system, power is prevented from fluctuating and creates stable voltage for powering sensitive equipment. This generator also features a fuseless circuit breaker, volt meter, and oil sensor.

The RGX3000 is built into a durable, sturdy frame, protecting the generator in tough conditions. The frame is easy lift, making transportation a breeze.

This generator comes with a 2 year manufacturer's warranty and a 3 year engine warranty.

The Subaru RGX3000 is imported from Japan and designed for hire, industrial, agricultural, building, construction, council, and mining applications.

FEATURES

- Genuine Subaru industrial engine
- AVR alternator system
- Fuseless circuit breaker
- Volt meter
- Oil sensor
- Made in Japan
- Long range fuel tank
- Single phase
- Recoil start
- DC output (12V - 8.3A)
- Silencing muffler

Specifications

Model	RGX3000
Power	2.4kVA
Phase	Single
Fuel Type	Petrol
Starting System	Recoil
Voltage	240V - 50Hz
Engine	Subaru 6hp EX17
Fuel tank	12.8L
Running Time (rated output)	10 hours
Noise level (dB @ 7m)	71dB
Weight (kg)	47kg
Dimensions (L x W x H)	600 x 420 x 500 mm
Manufacturer's Warranty	2 years
Engine warranty	3 years
